ORAL JUDGEMENT

This Special Civil Application is directed against the order dated 31.5.1996 passed by the Police Commissioner, Ahmedabad City, whereby the petitioner has been detained under the provisions of the Gujarat Prevention of Anti-Social Activities Act, 1985. The detention order was executed on 1.6.1996 and since then

the petitioner is under detention lodged at Jamnagar Jail, Jamnagar.

This Special Civil Application was filed on 13.6.1996 and on 17.6.1996 rule returnable for 9.7.1996 was issued. So far neither any reply has been filed nor affidavit of the detaining authority has been filed.

The grounds of detention enclosed with the detention order show that three criminal cases under the Bombay Prohibition Act were registered against the petitioner. Besides this, the detaining authority has also taken into consideration the statements made by four witnesses against the petitioner's anti-social activities with regard to the incidents dated 19.5.1996 and 2.5.1996. The petitioner has been detained as a bootlegger being a problem to the public order.

The detention order has been challenged on more than one grounds but at the time of argument the learned counsel has kept himself confined to the question that no case of breach of public order is made out.

In view of the reasons given in the judgement dated 4.10.1996 in Special Civil Application No. 3879 of 1996 it is clear that the allegations and the material relied upon by the detaining authority do not constitute a case of breach of public order and at the most it is a case of breach of law and order. The detention order deserves to be set aside on this ground alone.

Accordingly, the Special Civil Application is allowed and the impugned detention order dated 31.5.1996 passed by the Police Commissioner, Ahmedabad City, is hereby quashed and set aside and the petitioner's detention is declared to be illegal. The respondents are directed to release the petitioner and set him at liberty forthwith, if not required in any other case. Rule is made absolute.
